Guest Opinions:

This is my 5th time staying in this hotel. A real oasis in Entebbe,Uganda. Rooms are clean, service is excellent and the help of the front desk is remarkable. We met the Front desk manager Mustafa Geneva who was very helpful in all our requirements and made sure that our stay in the hotel was problem free..... (Ref: Tripadvisor)

Quite charming and well organized Hotel. My stay started on the 17th of May and continues for another week. Mostly impressed by the service of the Hotel especially the front Desk that leaves you with no worries or any complaints whatsoever. Smart and friendly staff have been deployed around the lobby, swimming pool and the lobby entrance to make you feel very comfortable and quite satisfied.....(Ref: Tripadvisor)
